HOBBIES

Skiing, Fountain pens, I
collect gadgets, I like to try
new things so my hobbies
often change.

PROFILE

Hardworking University Student seeking employment. I'm eager to take on
new challenges. I am mostly focusing on front-end web development, currently
studying React and finishing my projects. I am looking for a job where I can learn
new skills, expand my knowledge, gain experience. I am open, honest person that
likes to finish my assignments. I quickly adapt to a new environment.

EMPLOYMENT HISTORY

IT Internship, Samodzielny Publiczny Szpital Kliniczny nr 1 w Lublinie
Feb 2020 — Mar 2020

1. Help in daily life of hospital.
2. Fixing common problems with electronics.
3. Learning about hospital's network topology.
4. Supporting IT team with new ideas (how to automatize processes basing on my previous experience).

IT Trainee, Samodzielny Publiczny Szpital Wojewódzki im. Jana Bożego w Lublinie
Aug 2019 — Sep 2019

1. Help in the daily life of the hospital.
2. Fixing common problems with computers, software, printers.
3. Help with renovation (from IT perspective).
4. Learning new things about IT administration. How to manage networking, protocols, real examples of problems that IT Technicians deal with and how to approach them.

Interdepartamental helper, Intrograf   Lublin
Jul 2023 — Sep 2023

1. Communicating with other teams to help with workflow.
2. Managing simple work machines and how do they work. What technologies were used to build them.
3. Physical work activities.

EDUCATION

University of Technology   Lublin
Oct 2021 — Present

I am studying Computer Science, full-time. I attended to Red Hat Academy (RH124, RH134, CL110).

ICT Technician, Complex of Technical Schools of Electronical Technology   Lublin
Sep 2017 — Jun 2021

I was attending to CISCO classrooms after school where I got CCNA Certificate of Attendance.
